+

THE BEST DISTRIBUTION FOR GREATER FREEDOM OF MOVEMENT WHILE SLEEPING

Made using Sensoft technology, our springs ensure maximum freedom of movement when you are sleeping, regardless of your body shape.

- **Sleep in the position you want:** Uniformly distributed, the springs provide the same support and comfort from one end of the bed to the other. You sleep in the position you want.
- Uninterrupted sleep is ensured by a freedom of movement
- **Ideal support for the spine** ensured by the firm comfort foam

PRODUCT HIGHLIGHTS

Consistent comfort from one end of the mattress to the other thanks to 100% pocket coils.

- **Ideal support for your spine**
- **Enjoy uninterrupted sleep**

+

RECOMMENDED BED FRAME :

We recommend that you change your bed frame at the same time as your mattress.

It is recommended that you pair the SLEEP MODE mattress with a slatted bed frame of a height of 15 cm for amplified support
