+

SLEEP WELL TO WAKE UP BETTER :

Made using Sensoft technology, our springs ensure maximum freedom of movement when you are sleeping, regardless of your body shape.

- **Sleep in the position you want:** Uniformly distributed, the springs provide the same support and comfort from one end of the bed to the other. You sleep in the position you want.
- **Uninterrupted sleep** is ensured by a freedom of movement
- **A sound and restorative night's sleep** thanks to the soft comfort foam
- **Comfort without pressure** thanks to the Elivéa® high resilience foam.
- **Deep recovery at an ideal temperature** thanks to the Thermoplus padding that promotes air circulation

PRODUCT HIGHLIGHTS

Consistent comfort from one end of the mattress to the other thanks to 100% pocket coils.

- **Enjoy uninterrupted sleep**
- **Sound and restorative sleep**
- **Comfort without pressure**

+

RECOMMENDED BED FRAME :

We recommend that you change your bed frame at the same time as your mattress.

It is recommended that you pair the BOREALE mattress with a pocket-coil slatted bed frame of a height of 15 cm for amplified comfort.
